1. Purpose

This document sets out the behavioural and ethical standards that all CEKA partner organisations are expected to uphold. Adherence to these standards is a condition of partnership. By co-signing the CEKA Partnership Agreement, partner organisations affirm that they have read, understood, and agree to uphold this Code of Conduct for the full duration of their engagement with Civic Education Kenya.

2. Civic Mandate Alignment

CEKA exists to advance civic education, democratic participation, and government accountability in Kenya. All partner organisations must:

- Operate in a manner consistent with Kenya's democratic values and constitutional principles.
- Refrain from activities that undermine civic participation, suppress public discourse, or compromise the integrity of Kenya's democratic institutions.
- Not use the CEKA partnership, brand, or shared resources to advance partisan political agendas or electoral interests on behalf of any specific candidate or party.

3. Organisational Integrity

Partner organisations must:

- Operate transparently and maintain accurate records of their activities and funding sources.
- Not misrepresent their organisational status, size, funding, or activities in their application to CEKA or in any subsequent communication.
- Promptly inform CEKA of any significant changes in leadership, legal registration, funding sources, or strategic direction.
- Not engage in any form of financial misconduct, fraud, or misappropriation of resources provided under the collaboration.

4. Community Respect and Non-Discrimination

All collaborative activities must be conducted with full respect for the dignity and rights of all community members. Partners must not:

- a. Engage in, condone, or facilitate discrimination on the basis of ethnicity, gender, religion, disability, age, or any other ground.
- b. Use CEKA-associated platforms, campaigns, or audiences to disseminate misinformation, disinformation, or content that incites division or hostility.
- c. Exploit civic communities or audiences for commercial gain without transparent disclosure and CEKA's prior written consent.
- d. Use CEKA's brand or association to lend credibility to activities that fall outside the agreed scope of the partnership.

5. Responsible Use of Data

Partner organisations agree to handle any community, beneficiary, or audience data obtained through the CEKA collaboration in full compliance with Kenya's Data Protection Act (2019). This obligation is further governed by the separately executed Data Processing Agreement (DPA).

6. Digital and Online Conduct

In all digital spaces associated with the CEKA collaboration, partners and their representatives must:

- a. Communicate with honesty, accuracy, and respect.
- b. Not impersonate CEKA or its representatives in any online or offline forum.
- c. Report any security incident, data breach, or suspected compromise affecting shared systems or data to CEKA within twenty-four (24) hours of discovery.

7. Consequences of Breach

A material breach of this Code of Conduct constitutes grounds for immediate termination of the CEKA Partnership Agreement. Upon termination for breach, the Partner Organisation must immediately withdraw all CEKA-associated branding and co-produced materials from use. CEKA reserves the right to note the termination publicly where the public interest or the integrity of the organisation requires it.

8. Affirmation

The undersigned confirms that they have read and understood this Code of Conduct, have the authority to bind the Partner Organisation to its terms, and commit on behalf of the organisation to upholding these standards for the duration of its partnership with Civic Education Kenya (CEKA).
